### Reporting

Recipients of grants will be required to submit a brief report to the foundation summarizing the use and impact of the funds one year after receipt of funding.

### **HCF Focus Areas of Support**

The foundation supports organizations in Maine, New Hampshire, Massachusetts, New York and Vermont that focus on one of the following core components of *healthy communities*:

- Food Safe, stable access to healthy food is a critical component of a healthy community. HCF supports programs that range from emergency needs and hunger prevention to investing in longer term solutions that will ensure safe, stable access to healthy food.
- Education Hannaford is committed to preparing our customers and neighbors for success by helping to deliver strong programs to prepare people through all stages of life for success in education and readiness to enter the workforce.
- Health We promote the health of residents in our communities through organizations that provide quality programs focusing on promoting healthy lifestyles and improved care.

In determining which organizations and programs to support, the Foundation considers the impact and outcomes to the community, prior support, and relative uniqueness of the program versus others in the community. Preference for funding is given to those that have the potential of providing ongoing services for a large segment of our customer base.
